THE VENUE

Our exclusive tipi wedding venue in Leicestershire is filled with pockets of magic in every corner. The tipi spaces are striking, spacious and stylish. As the evening draws in, they light up with thousands of fairy lights, creating an enchanting wow-factor element.

It's not just the tipis that will have you swooning... The grounds will transport you to a secret garden, with a tranquil forest area, pristine lawns and beautiful blooms galore. Wander along the winding pathways and steal a few moments together as newlyweds, while soaking up the spectacular views of the Leicestershire countryside.

Tipis at Whatton House is also home to a charming restored wooden foot bridge across an expansive and peaceful pond, which provides couples with picture-perfect photo opportunities, as well as the iconic swing!

OUR TIPIS

Our venue is a luxurious tipi experience, with a selection of prestigious suppliers at our fingertips, the bonus of total flexibility and a memorable location. Within the tipis you'll find solid wooden flooring, geometric decking and bespoke wooden furniture. Our luxe lounge areas are filled with chesterfield sofas, armchairs and of course, our famous firepits, where you can roast marshmallows to your heart's content.

The outdoor space is also dreamy during golden hour, so relax in the sunshine with a cocktail (or two), chill out with your friends and family over the firepits and enjoy every second of being with your loved ones. Tipis at Whatton House has all the home comforts you could ever need, sprinkled with just the right amount of luxury.

It's a one-of-a-kind wedding venue where you can really make it your own – we want you to get wildly creative and really let your personalities shine through.

A wedding day that's totally cool, utterly authentic and completely yours.
